These magazines are available at no charge through the NLS network of cooperating libraries to patrons of BTBL. Magazines are circulated through the U.S. mail on digital cartridge or in braille. Registered readers may download many titles in ebraille or audio from the Braille and Audio Reading Download (BARD) service.

For magazines circulated on digital cartridge through the mail, multiple magazines will be sent on one cartridge housed in a red container. **Weekly magazine cartridges must be returned within 5 weeks of arrival. Monthly magazine cartridges must be returned within 9 weeks.**

Late returns may result in cancelation of subscriptions. Please contact us if this occurs. If you would like to order any of these, please fill out and return this form to the library or call the library at 1-800-992-9012.
